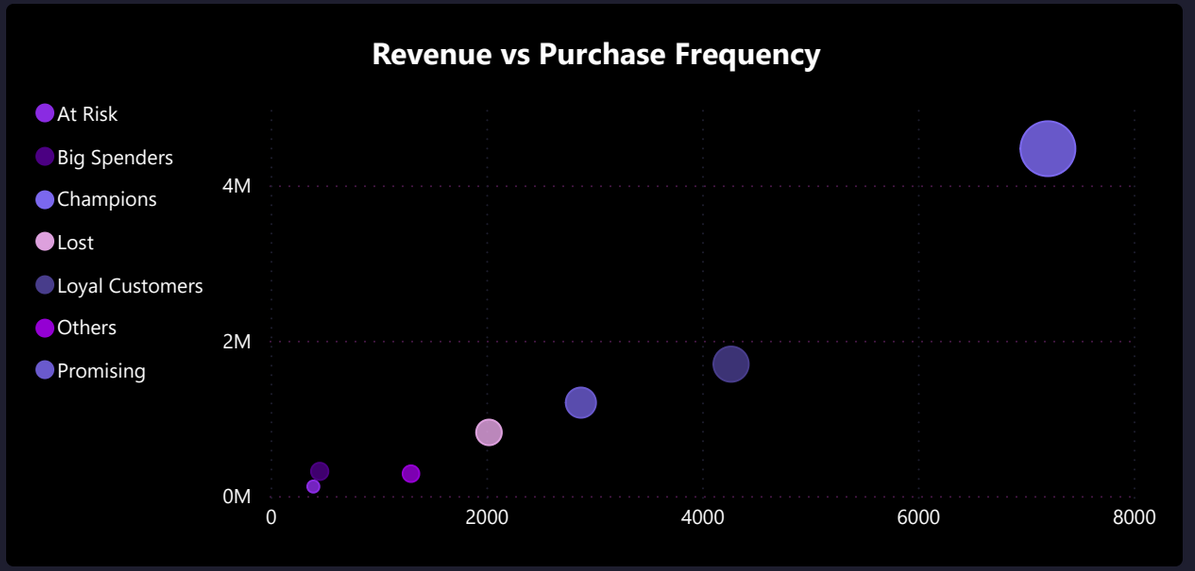
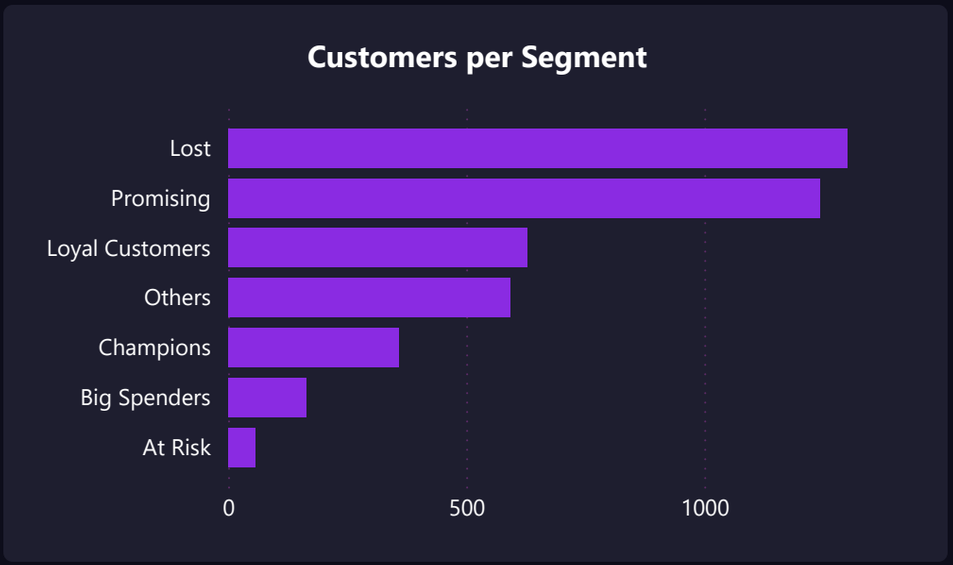
RFM Segmentation Insights

4,338 customers segmented by Recency, Frequency, and Monetary value. Champions (357 customers, 8% of base) generate £4.47M, over half of total revenue. Meanwhile, 1,299 Lost customers contribute only £818K. Re-engaging lost customers and protecting Champions represents the biggest revenue opportunity in this dataset.





Segment Summary

Segments	Total Customers	Avg Order Value	Total Revenue
Champions	357	12 525,08	4 471 453,47
